

Project Technician III

Manipal Academy of Higher Education (MAHE), Manipal, invites applications for the position **Project Technician III** for the DST-FIST-funded “Fluorescence-Activated Cell Sorting (FACS) facility” at BSL-3 Facility, MAHE, Manipal.

Position	Eligibility and Job Description	Remuneration
Project Technician III (1 Post)	Eligibility: M.Sc./M.Tech. in Biotechnology, Cell Biology, Molecular Biology, Biochemistry, Life Sciences, or a related discipline, with hands-on experience in flow cytometry/FACS and Fluorescence/confocal imaging. BSL-3 training/experience is preferred. Job Description: The selected candidate will be primarily responsible for sample preparation, operation and routine maintenance of flow cytometer/FACS instruments, flow cytometry data acquisition and analysis using FlowJo software. The candidate will also assist with fluorescence and confocal microscopy, maintain proper records of samples and experimental data, and manage inventory and stock records of consumables. The candidate should be capable of following standard operating procedures and completing assigned experimental work within stipulated timelines. Job Code: Application for Project Technician -III, DST- FIST	Rs. 31,000 + 8% HRA per month

Mentioning of **Job Code** in the subject line of the application is mandatory.

Duration of engagement: The project position will be available for a **maximum period of five years (2026–2031)**, with the appointment renewed annually based on satisfactory performance during the preceding year. A 10% increment on the applicable base salary will be provided after completion of two years of satisfactory service.

Candidates possessing the requisite qualifications may send their detailed CV and documents in support of qualification and experience by **October 12, 2026**, to the following e-mail id/address. Shortlisted candidates will be informed by e-mail about the interview date. No TA/DA will be paid for attending the interview.
